25+ Continuing Education Contact Hours

AMERICAN ACADEMY OF PODIATRIC SPORTS MEDICINE

MISSION STATEMENT

The American Academy of Podiatric Sports Medicine serves to advance the understanding, prevention and management of lower extremity sports and fitness injuries. We believe that providing such knowledge to the profession and the public will optimize enjoyment and safe participation in sports and fitness activities. We will accomplish this mission through professional education, scientific research, public awareness and membership support.

LEARNING OBJECTIVES

An example of what attendees will gain knowledge on.....

- Become proficient in the use of Diagnostic Ultrasound
- Gain understanding of use and applications of Platelet Rich Plasma (PRP)
- Learn surgical techniques during hands on cadaver lab – 10/20/16
- Become updated on latest information on Shock Wave (ESWT, RSW, EPAT)
- Understand why traditional treatments for plantar fasciitis, Achilles Tendinopathy and Medial Tibial Stress Syndrome are rapidly changing
- Check website at www.aapsm.org for updates on program and hotel registration
